

DON  
DENNISON  
HIGH  
BIDD  
LIST

produced by

Jack Keene  
23 Hillcrest drive  
Cerritosdale, Illinois 62901

May 12, 1970

The time comes for many of us that have enjoyed many years of fun and fellowship in the patch game, to part with that hobby. When that does happen, of course we all wish for a very successful sale of those items that we have accumulated.

The (I guess I picked a time when several other sales were also in progress, my highest expectations were fulfilled, and if all bids were honored -- the sale would well exceed \$5,000.00. I want to sincerely thank each and every one who helped to make this well worth while, and wish also that they might enjoy the items gained from me, as much as I did while I had them. And the mine represented a lot of Lodges -- there are many more extensive collections in existence. Had I saved all old items over the years -- instead of strapping them off as I updated each Lodge -- I could have gained much in this respect.

A private list will be kept here - by me - of names who bid, and then reniged and did not honor said bids. And only one or two could be really considered legitimate reasons. These names are available only to a collector ready to sell -- so that he can use his own judgement if one of these people contacted him -- and would save him considerable time and worry. Good friend Jack Keene has taken it upon himself to put out this booklet with my consent -- and I hope that it is well accepted and will represent a cross section of how well some items are selling. Jack has taken photos of my entire collection in B & W, and color -- and fully intends to put out a Lodge listings book more informative than most have been -- as soon as possible. If any of you fellows can help him on photos he still needs, I know he will appreciate it very much. Still planning to be around where the action is from time to time -- and offering a personal invitation to each one to see us at our 9th Ann. Trade-O-Rae on October 2-3-4, 1970 --

Sincerely,

*Don Dennison*  
Don Dennison

**KEY**

color	
1--red	A -- Arrowhead shape patch
2--white	B -- Round patch
3--blue	F -- Flap patch
4--black	S -- Solid embroidered flap patch
5--yellow	C -- Circle
